Welcome to Allara

Get to know your library

Allara library provides a welcoming and comfortable learning environment with friendly staff that is always available to help. The library offers a variety of services which include access to 46 desktop computers loaded with class software, 4 hour laptop checkout for use in the library, database and research help, free academic assistance on the ground floor for study help and test prep, and a host of other services. The building also features excellent wireless for any laptop or mobile device.

Location, location, location...

The main floor of the library is a social floor with open space, computers, a variety of magazines, newspapers, reference and video collection, and the new & popular book collection is available for your reading pleasure. The main floor also features the Janice Beeler Ford Student Art Gallery which also doubles as the Library Instruction Classroom.

The book collections are primarily located on the second and third floor. These floors are designated “Quiet Areas” where you can find both private and open study spaces throughout each floor. Each study room is equipped with whiteboards and markers. The library also has several mobile whiteboards for use in the open study areas.

“A library is a good place to go when you feel unhappy, for there, in a book; you may find encouragement and comfort. A library is a good place to go when you feel bewildered or undecided, for there, in a book; you may have your question answered. Books are good company, in sad times and happy times, for books are people - people who have managed to stay alive by hiding between the covers of a book.” — E.B. White
