Dear Friend:

I hope you are doing well! As you may know, I am a student athlete for the Women’s Soccer Team at the University of Pikeville. I’m achieving my dream of playing college soccer and I appreciate the countless opportunities that made this possible. This off-season our team has begun early morning workouts and practice through the week. We strive for greatness on the field and work diligently in the classroom. Through the NAIA Champions of Character we have been given the opportunity to volunteer at local organizations and fundraising events. This year we are doing a team fundraiser and need your help to make the vision we have become a reality.

The following are a few projects we are working toward:

- **Team Tournament** – promotes a spirit of competitiveness, team spirit and learning
- **Bermuda Grass** – it is cost efficient, vigorous and a denser turf for our field
- **Bow-Net** – portable net for practice

Being able to compete in a team tournament would be an experience that neither I nor my teammates would forget. Each year the university provides upkeep to our field but having these additional projects funded would significantly improve practice.

Please help support our team with a tax-deductible donation of $35, $50, $100 or more. Your financial support will help us get closer to fulfilling these projects that, without your generosity, would not be possible.

Being a part of this team is preparing me for my future on and off the field. My team and I proudly represent UPIKE and believe that the athletic department here at the university creates a supportive environment for our team to succeed. I would love to see you at one of our games next fall. Our schedule will be listed at www.upikebears.com.

**GO BEARS!**

University of Pikeville Women’s Soccer Team

P.S. Thank you for your consideration!
