

STUDENT HANDBOOK
2020-2021

DIVISION OF STUDENT AFFAIRS
147 SYCAMORE STREET
PIKEVILLE, KY 41501
606-218-5224

Dear UPIKE Students,

The University of Pikeville's Student Handbook is the guide to your rights and responsibilities as a UPIKE community member (including undergraduate, graduate, and online students). Please read this document carefully and if you have any clarifying questions, please contact a member of the Student Affairs professional team. It is each student's responsibility to read and be familiar with the information contained in the Student Handbook and ignorance of a policy is not an acceptable excuse for violating it. Enrollment at UPIKE implies acceptance of these policies and procedures and makes them binding on all students. The Academic Catalog is an equally important source of institutional policies, expectations, and deadlines typically related to academic affairs. You need to be familiar with it as well. Students are expected to exemplify responsible behavior wherever they may be; as a result, the Student Code of Conduct applies to students both on and off campus.

Along with understanding your rights and responsibilities of being a member of the UPIKE Family, you should also understand your rights and resources under Title IX. Look for ongoing educational opportunities throughout the year to learn more about how you can be an active bystander to respond to incidents of unlawful discrimination. It is the policy of the University to not discriminate on the basis of race, ethnicity, color, sex, gender, gender identity, sexual orientation, religion, national origin, age or disabilities in its programs, activities, hiring, or the admission of students. The student code of conduct handbook is not intended to cover every infraction or issue that may occur, but rather be used as a tool for providing general information and to set expectations. I know you will join me in upholding this standard for yourself and others.

Finally, we are committed to your educational and personal development and want to help you get the most out of your time at UPIKE. To do so, we invite you to take advantage of the countless opportunities to enhance your UPIKE experience by actively engaging the resources that are available to you. Many opportunities are available for leadership and fun through varsity, intramural, cocurricular clubs and programs, and opportunities to serve and connect with causes that interest you on the local, national, and global level. On behalf of the Division of Student Affairs, have a great year!

Sincerely,

Dr. Justin Tyler Owens
Dean of Student Affairs

4. Documentation of the need for reasonable accommodations should be submitted to the Disabilities Student Services Office two weeks prior to the first day of classes for which the student is requesting accommodation. The accommodations officer will keep the documentation in a separate file.
5. The Disabilities Student Services office, upon review of the relevant documentation of the disability, will determine reasonable accommodation in each particular case and for each individual class. The student and relevant professor may be consulted during this process.
6. The Disabilities Student Services office will communicate to the relevant faculty member, the Registrar and the student, elements of accommodation for each particular class.
7. Requests for accommodation must be made each term. The student should make this request in writing no later than two weeks before the first day of classes, and present this written request for accommodation to the Disabilities Student Services office.
8. Records concerning a student's requests for reasonable accommodations will be maintained separate and apart from a student's official file with the Registrar's office.
