## Program Theme

### Primary Care in Appalachia: A Passion for Prevention

This Kentucky College of Osteopathic Medicine Continuing Medical Education program will address Primary Care in Appalachia, and a passion for prevention. Friday and Saturday sessions will include speakers presenting preventive medical topics and strategies on nutrition, obesity, reducing hospitalization, malpractice prevention and preventive dental care. The Sunday session will be devoted to a hands-on OMT technique workshop taught by Kentucky College of Osteopathic Medicine faculty and alumni.

*Note: The event presentations for live, in-person viewing will be paperless and accessible via Dropbox application at the CME event. Access and login information to the event presentations will be made available upon check-in at the event.*

All CDC guidelines will be observed.

*This year's event will offer virtual viewing. Virtual link will be supplied upon registration payment.*
