This policy and procedure is guided by the Higher Education Opportunity Act, 20 U.S.C.S. § 1092; 42 U.S.C.S. § 5579.

Policy Statement

For purposes of this policy, a student may be considered missing under a variety of circumstances. These circumstances may include, but are not limited to: being overdue in reaching a specific location, on or off campus; concerns for safety based on prior knowledge of mental or physical health issues or other extenuating life circumstances; and/or additional factors that lead faculty, staff, or students to believe that the student is missing.
