

REACHING NEW HEIGHTS

UNIVERSITY OF PIKEVILLE

Bear Mountain Community Project

UPIKE students are champions on and off the field. The Bear Mountain Community Project will create a **sports complex suited for championship teams.**

We need your support to help make it happen.

50%+
of UPIKE students
participate in
athletics

- **A Game-Changer for the Community** – This 500+ acre property will provide a space for local and regional events, drawing visitors, supporting local businesses, and fostering community engagement.
- **Transforming Athletics and Student Life** – Bear Mountain will be home to new outdoor athletic facilities, enhancing the student-athlete experience, expanding recruitment opportunities, and elevating UPIKE's athletic programs.
- **Outdoor Recreation and Future Growth** – With long-term plans for additional facilities and outdoor spaces, Bear Mountain will serve as a hub for student activities, wellness initiatives, and future university expansion.
- **Investing in the Region's Future** – This bold initiative underscores UPIKE's commitment to regional development, providing opportunities for economic growth, community partnerships, and an enhanced quality of life for Central Appalachia.

**By investing in UPIKE's bold \$50M
Reaching New Heights capital campaign, you are
building a home for athletics and the entire community!**
