

REACHING NEW HEIGHTS

UNIVERSITY OF PIKEVILLE

Scholarships Create Opportunities

Scholarships open doors for students who are the first in their families to attend college, providing them with **life-changing opportunities for education and career advancement**. At the University of Pikeville, we want to continue breaking barriers for first-generation students.

We need your support to help make it happen.

- ***Transforming Lives Through Education*** – A degree from the University of Pikeville empowers students to build a brighter future, equipping them with the knowledge and skills to succeed in their chosen fields.
- ***Fueling the Future of Healthcare*** – Many UPIKE graduates continue their education at UPIKE's Kentucky College of Osteopathic Medicine and Kentucky College of Optometry, with the Tanner College of Dental Medicine opening soon. These pathways strengthen the healthcare workforce in Central Appalachia and beyond.
- ***Investing in Central Appalachia's Success*** – Scholarship support ensures that talented students can stay in Central Appalachia, contribute to their communities, and drive economic growth through meaningful careers.

**1 in 3 ARE FIRST-GENERATION
COLLEGE GRADUATES**

**By investing in UPIKE's bold \$50M
Reaching New Heights capital campaign, you are
changing lives today and for future generations!**
