

Student Achievement 2026

The University of Pikeville evaluates success with respect to undergraduate student achievement consistent with its [mission](#). The institution documents successful student achievement in relation to its mission by monitoring such broad measures as level of career and leadership readiness, freshmen retention rate, number of degrees awarded, six-year baccalaureate graduation rate, and job placement rate. In addition, UPIKE measures student ***achievement of academic excellence*** by monitoring student performance rate in the specific programs of [Nursing](#), [Social Work](#), [Teacher Preparation](#), [Optometry](#), and [Osteopathic Medicine](#). The institution uses the combination of these findings to support and improve student achievement.

Creating a Pathway to higher education for all students who desire to embark upon that journey and attracting and retaining high caliber students who will be future regional, national, and global leaders

To help students focus on educational success, UPIKE continues to strive to be an affordable and economical provider of postsecondary educational services to the people of the region compared to other private universities in Kentucky. The University has lost ground on this target with an average net price of [\\$21,870](#) for year 2024-2025.

The University is striving to have at least 50% of its new freshmen have ACT-Composite scores at or above the national average. The University met this target with [51%](#) of the fall 2025 first-time freshmen having ACT-Composite scores of 21 or higher.

The University has programs in place to have at least 58% of its new freshmen return for their second year. The retention rate of first-time full-time freshmen to the University continued to meet this target with a [70%](#) rate for the fall 2024 cohort.

Preparing Graduates through quality academic programs, grounded in the liberal arts, and through involvement in community service, experiential learning, research, athletics, humanitarian efforts, and global outreach.

To prepare graduates, UPIKE strives for at least 80% of students to exhibit mastery at demonstrating career readiness skills. The University met this target with [86%](#) of students in the 2024-2025 academic year exhibiting mastery.

With the growth in undergraduate enrollment, the University seeks to have the number of undergraduate degrees awarded grow from 150 in 2010-2011 to 250 by 2020. UPIKE met this target with [260](#) undergraduate degrees awarded 2024-2025.

The University wants to have at least 40% of its new freshmen graduate within six years. The six-year graduation rate of first-time freshmen to the University met this target with the rate being [42%](#) (fall 2019 cohort).

The University expects at least 80% of its graduates to be employed full time or enrolled in graduate school within one year of graduation. UPIKE met this target with [100%](#) of undergraduate graduates from the Class of 2024 found full-time employment or enrolled in graduate programs within one year after graduation.

Statement of Mission

The University of Pikeville is the leading higher education institution of Central Appalachia. Founded in 1889, UPIKE remains steadfast in our commitment to preparing students for the future while creating intellectual, cultural, and economic opportunities for Appalachia. Maintaining our commitment to Christian principles, UPIKE recognizes the infinite worth of each person, respecting a variety of religious expressions.

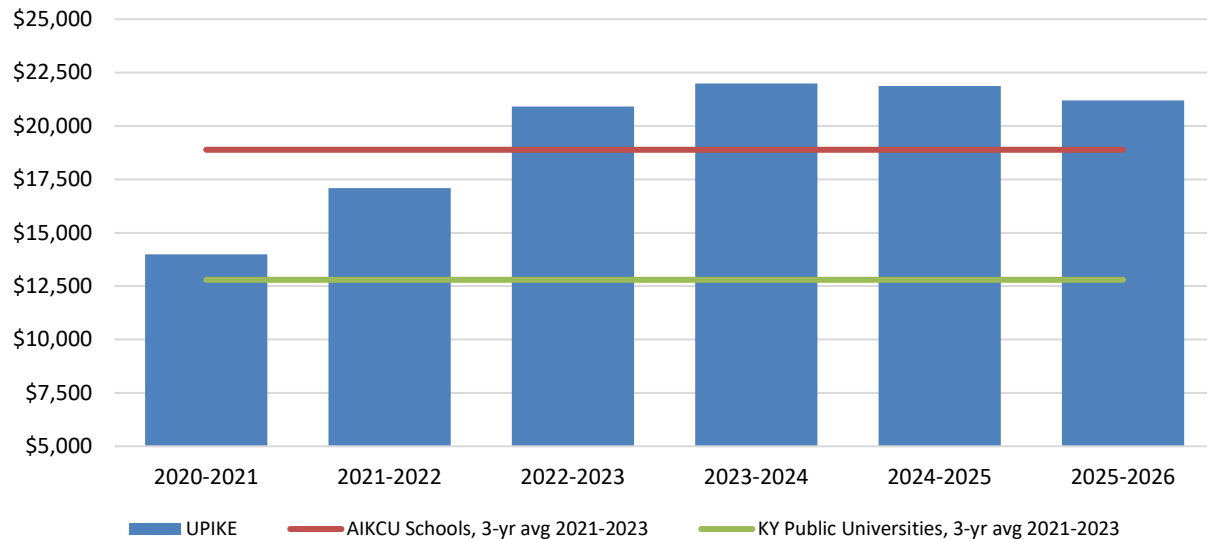

UPIKE achieves its mission by:

- Creating a pathway to higher education for all students who desire to embark upon that journey and attracting and retaining high caliber students who will be future regional, national, and global leaders.
- Preparing graduates through quality academic programs, grounded in the liberal arts, and through involvement in community service, experiential learning, research, athletics, humanitarian efforts, and global outreach.
- Achieving academic excellence by maintaining academic rigor and relevancy in undergraduate, graduate, and professional degree programs.
- Attracting and retaining distinguished faculty, staff, administrators, trustees, and alumni who are dedicated to meeting the individual needs of students, promoting a caring and supportive environment conducive to learning, and meeting the needs of an evolving University; and
- Providing superior infrastructure with state-of-the-art classrooms, clinics, instructional materials, physical facilities, technological infrastructure and campus amenities through sound fiscal policy and efficient and effective administrative services.

Median Earnings (10 Years After Initial Enrollment) Compared to Value Thresholds

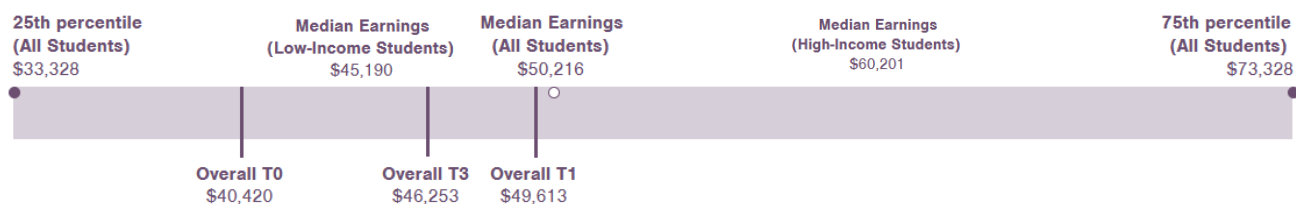

💡 [KEY QUESTIONS](#)

THRESHOLD DEFINITIONS			
T0 Minimum Economic Return Median state-level high school earnings + total net price (annual net price times average time to credential) amortized over 10 years	T1 Earnings Premium Median earnings for credential level within state	T2 Earnings Parity Median earnings of advantaged peers (White, Male for credential level within state)	T3 Economic Mobility Earnings high enough to enter 4th (60th to 80th percentile) income quintile or above regardless of credential level within state

Overall Thresholds (Between-Group Differences)

Overall earnings

Overall thresholds, which are labeled below the bar chart, provide primary benchmarks for measuring the economic value that institutions provide to students relative to earnings among their state population. These thresholds provide a target for institutions to ensure that all students receive the same economic returns, regardless of race/ethnicity, income, or gender. Earnings are labeled above the bar chart and represent students' earnings ten years after enrolling in the selected institution. The default view compares overall thresholds with overall earnings; use the dropdown menu to see disaggregated median earnings by gender and income. Note that earnings data are suppressed in the College Scorecard for some subgroups.

Preparing Graduates Outcome 1

The University of Pikeville's PEAK Career and Leadership Pathway is a comprehensive pathway program designed to allow students the opportunity to explore career options throughout their time on campus through activities and experiences embedded in their curricular and co-curricular programs.

Career Readiness

Students will demonstrate career readiness by being able to take the steps necessary to pursue careers and be self-advocates for post-graduate opportunities.

The Threshold of Acceptability is based on the baseline in our QEP from 2022.

Placement Rates by Class

Data comes from University of Pikeville Alumni Survey One Year after Graduation. Percentages based on unduplicated responses. Because the survey is anonymous, the data cannot be disaggregated.

The Threshold of Acceptability Placement Rate is 80% of graduates as determined by the University Planning Committee.

The Achievement Goal Placement Rate is 100%.

(1) This is the share of students who indicated on the (1) *Survey of Graduates at Graduation* that they plan to attend graduate school in the year after graduation.

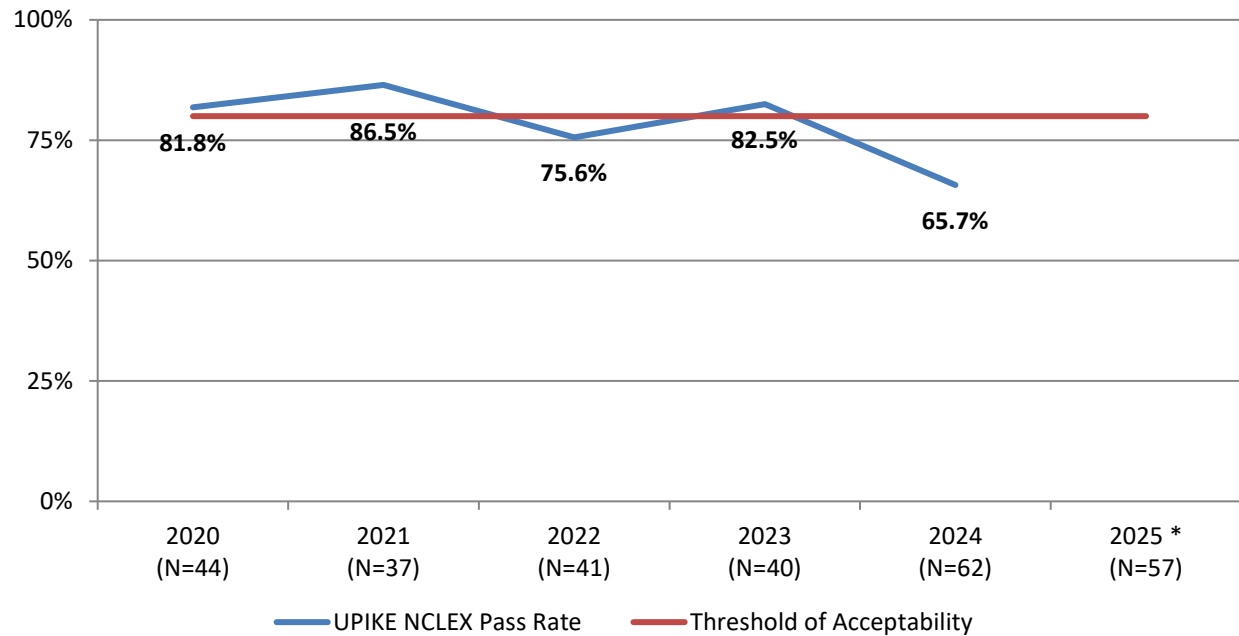

(2) This is the share of students who were reported to have enrolled at an institution of higher education sometime after graduation until 10/04/2025 by the National Student Clearinghouse. Hence, the Class of 2024 only accounts for about one year of time whereas the Class of 2020 accounts for four years of time that a graduate may have enrolled in additional schooling.

(3) This is the share of students who were reported to have graduated at an institution of higher education sometime after graduation until 10/04/2025 by the National Student Clearinghouse.

First-time Pass Rates' Threshold of Acceptability was determined by the KYCO faculty based on the first three years of student performance (exam periods 2019, 2020, 2021)

The Achievement Goal is based on the national pass rate minimum expectation.

* Class of 2022 includes the remaining graduates from the Class 2020 whose degrees were on hold until requirement change.

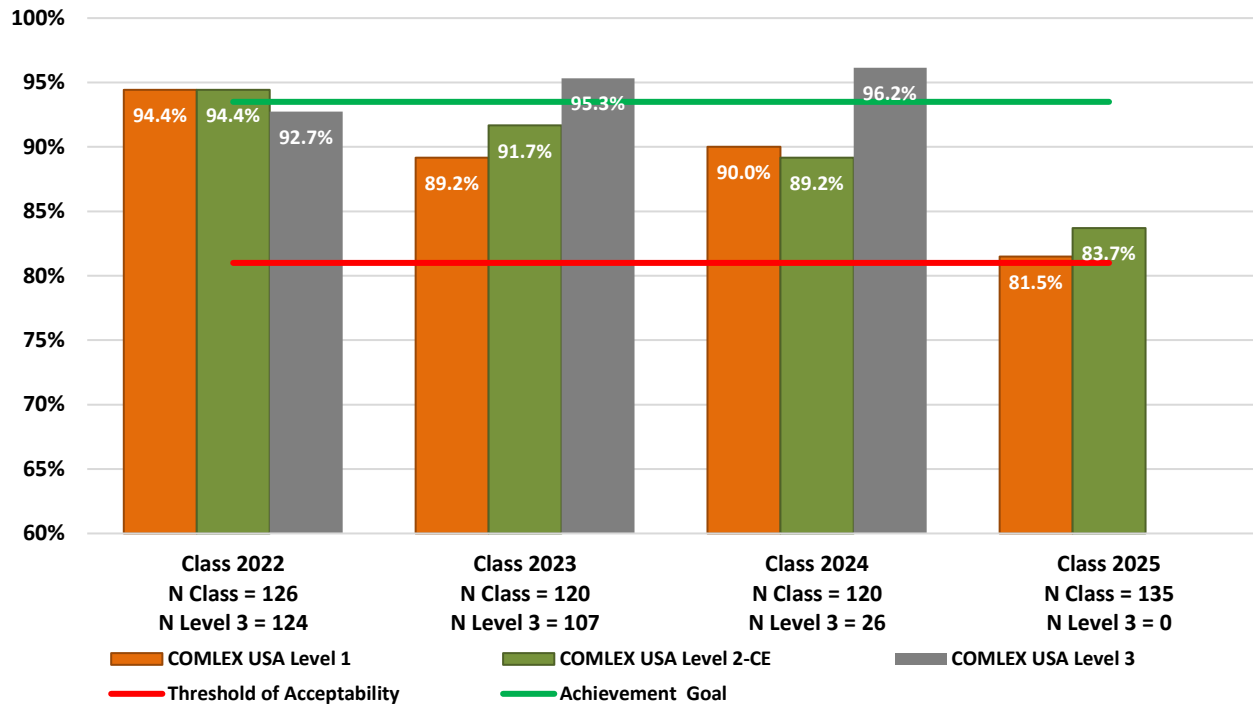

All pass rates are calculated using only candidates who have graduated during the listed time frame and have attempted all three parts at least once.

Ultimate pass rate is the percentage of the above-mentioned candidate group who passed all three exams within the listed time frame.

Doctor of Osteopathic Medicine Program

KYCOM COMLEX First-time Pass Rates by Class

KYCOM requires that its medical students take and pass the COMLEX Levels 1 and 2 CE board examinations as part of their graduation requirements. Following graduation and as part of residency training, KYCOM graduates also must pass the COMLEX-USA Level 3 examination.

Source: Student Scores, National Board of Osteopathic Medical Examiners, Inc. (09/30/2025)

The Threshold of Acceptability Pass Rate is 81% (lower CI95, Classes 2013-2017) for COMLEX USA Levels 1 and 2-CE. The faculty-determined Achievement Goal First-time Pass Rate is the 4-year average National First-time Pass rate (93.5%) of program completers.

Not all students who attempt COMLEX examinations graduate from KYCOM. In addition, exam testing periods do not always coincide with final KYCOM graduation cohorts. First-time pass rates on COMLEX examinations for all KYCOM students who attempted the examinations during these testing periods are as follows:
